

**10/07 BOARD PROCEEDS WITH RULEMAKING PACKAGES.** At its October 18th meeting, the Board held public hearings on its three rulemaking packages and proceeded as follows: (1) To adopt the most recent version of the 2008 Criteria, to revise the definition of "Direct Supervision" and to clarify and provide for the enforcement of the requirements for a supervising appraiser. The rulemaking package was terminated and a new rulemaking package was opened which added a requirement that applicants must inspect 75% of the appraisals listed on their experience logs and added a provision that supervising appraisers must take a supervising appraiser course. The notice of proposed rulemaking has been filed with the Secretary of State and will be published in the *Administrative Register* on 11/9/07.
